SPECIALISTS
OF ILLINOIS

Foundation

Throughout the years, many families have asked CCSI about making **charitable** contributions which could be used **locally** to assist **oncology** and **hematology** patients. CCSI established the Cancer Care Specialists of Illinois Foundation as a way for people to do just that.

The **CCSI Foundation**, an Illinois Not for Profit Corporation, was formed with the mission of providing **compassionate support** to individuals battling cancer and/or a blood disorder by alleviating financial burdens. We are dedicated to **empowering patients** and their families by offering financial assistance, resources, and guidance, helping them focus on their **healing journey** with **dignity**, **hope**, and **strength**.
